

Stanchester Academy

1 December 2023

STEM Presentation

Stanchester Academy were visited today by the BAE Systems Roadshow who performed an interactive workshop looking at 'Oceans to Space' with our Year 7 and 8 students.

The students had a great time learning about the relative size of the universe, how engines work in space and the work closer to home done by engineers in the RAF and Royal Navy.

Sports News

The U16 girls football team went to Buckler's Mead to compete in the first girls football tournament. They were successful in topping the league table by drawing 0-0 with Buckler's Mead, beat Westfield 2-1, beat Wadham 2-0 and beat Huish 2-0.

The U13 boys football team have made it through to the next round of the Somerset Schools FA cup and we wish them luck in their next game. The U12 team have had success in friendlies against local schools.

It has been great to see so many people attend extra-curricular clubs this term. Please have a look on the school website for more information. Please note that next week w/b 4th December will be the last week of clubs and they will return after the Christmas break.

As we head towards Christmas students will be completing Cross Country in their PE lessons in which they will be supporting their tutor in an inter-tutor event! This is also a reminder that students should bring appropriate clothing for outside PE including, base layers. Hats and gloves are also permitted.

Another Theatrical Week for the Performing Arts Department

It's been another busy week here in the Performing Arts department with rehearsals, workshops, teacher training and teaching all taking place, as well as Mr Meadows getting ready for his show at The Swan next week. [A Comedy of Tenors | civicplayersyeovil.com](#)

With less than a weeks to go until **'Everybody's Talking About Jamie'**, rehearsals are in full swing as we put the finishing touches to this challenging production. Tickets are still available via scopay if you want to be thrilled and entertained by this musical which explores the challenges of pursuing your dreams when surrounded by those who want to dash them.

Meanwhile the Year 7 & 8 Drama Club has been working hard preparing and delivering their **Outreach workshops with local Primary Schools**. The latest has been a workshop with Key Stage 1 students at Castle Primary School, where students worked closely with these 5-7 year olds to explore shapes, dragons, and 'The Lighthouse Keeper's Lunch'.

In addition to these exciting regular activities, we have also had the fortune to welcome **'Wise Children'** Theatre Company in twice this week, to run a CPD session for staff from the local area, and then a devising workshop with students from Years 8 & 9. Huge thanks go to The Octagon/Westlands for organising such a great event, as we take the first steps in an exciting partnership between The Octagon/Westlands, Wise Children
