### Flying Start

Last week, 15 Year 8 students went to Yeovilton to compete in the Flying Start competition.

The students have attended lessons on the Science of gliders, delivered by engineers from Leonardo helicopters. They then spent weeks designing and building their own glider to take part in the competition.

The students had a fantastic day, learning lots of STEM skills and represented Stanchester fantastically.

This amateur production of "Two" is presented by arrangement with Concord Theatricals Ltd. on behalf of Samuel French Ltd.
