Careers Fair

On Wednesday 2nd October, year 11 students had the opportunity to attend the Somerset Skills and Careers Fair 2024, at Westlands Entertainment Venue.

The Somerset Skills and Careers Fair 2024 is designed to inspire young people about local opportunities and showcase the options available as they plan future work or study.

Exhibitors highlighted career paths in their industry, discussed the skills and attitudes they look for in employees and designed interactive stands to help learners test their workplace skills.

Well done to year 11 on a brilliant morning.
