

Stanchester Academy

28 May 2021

Dear Parent

Equipment List

Next term students will be sitting their end of year assessments. These will be important for us to determine any existing knowledge gaps they may have and to help inform setting. We know that being equipped enables students to feel successful, prepared, and ready to learn. Most students have all the items listed below, but please ensure your son/daughter has all the necessary equipment for our return to school on **Monday 7 June**.

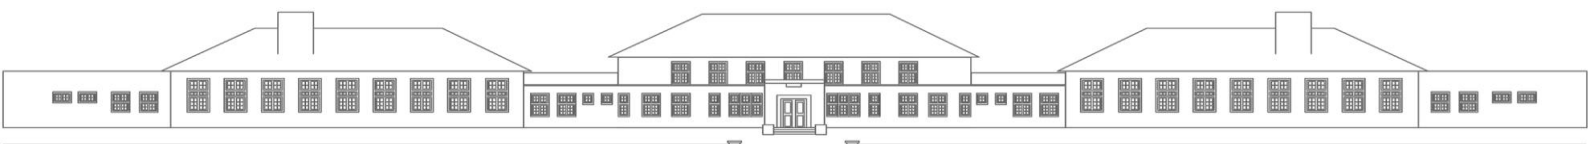

This equipment will be a standard requirement for all students from September. We recognise that some families may require some support with this, if this is the case please get in touch.

- Clear plastic pencil case (these can be taken into exam halls and are used for sitting formal assessments)
- 2x Pens (blue or black)
- 2x Pencils
- Highlighter
- Rubber
- Whiteboard pen
- 30cm Ruler
- Protractor and compass
- Scientific calculator

In addition, all students should have their Stanchester planner and Year 9 and 10 students are required to bring their knowledge organiser folder and practice books each day. The Academy has already purchased these for students.

Many thanks for your support

Miss E Forward
