## Stanchester Academy Uniform

Uniform is an important part of a school's identity. It reinforces who we are as a community and helps allow students to feel pride in their school. It also ensures students are not put under any pressure because of the type of clothes they wear and all are treated equally. It also helps prepare students for life after school where many will have to dress smartly for work.

We expect all students to be in correct uniform at all times. We also want to support you in buying affordable, good quality clothing for school which your children accept they have to wear because the rules are very clear. We want to make it easier for parents and help reduce any issues there may be over what is and isn't acceptable uniform. If you want to buy uniform from another store or online, that is acceptable, but it must match the uniform on the guidance below exactly, making the process of getting the right uniform even easier.
